

## WE ARE JEWS AND NON-JEWS AND...

**We abhor** the deliberate and willful publication of anti-Semitic and other hateful rhetoric and screeds by the *Berkeley Daily Planet*. **We stand** with the free speech rights of those who would criticize the *Berkeley Daily Planet* for its obsessive and one-sided campaign against the State of Israel. **We join** these people in insisting that the publisher and editor of the *Daily Planet* display integrity and responsibility to ensure that their pages are devoid of irresponsible misstatements of facts whose sole malicious intent is to besmirch Jews at large, the State of Israel, and individual citizens who decry the *Daily Planet's* practices.
